With a Little Help from My Friends

"I get by with a little help from my friends,
I'm gonna try with a little help from my friends
I get high with a little help from my friends
With a little help from my friends."

Friends

They've played a big part in your life
Thank them.

They've helped you through four years
of unmitigated whatever
and they deserve a break.

They told you the question on that
test you missed
so you'd know what to study for.
They let you cheat off their paper
And copy their homework
A thousand different things for you

Without them you wouldn't have made it

Well, you wouldn't have had any fun
getting there.

Remember them,
How they helped you over the rough spots,

And maybe made a few rough spots of
their own?

Only kidding you.

Look back to them, later on.

And remember the friends
you had

And the things they did for
you.

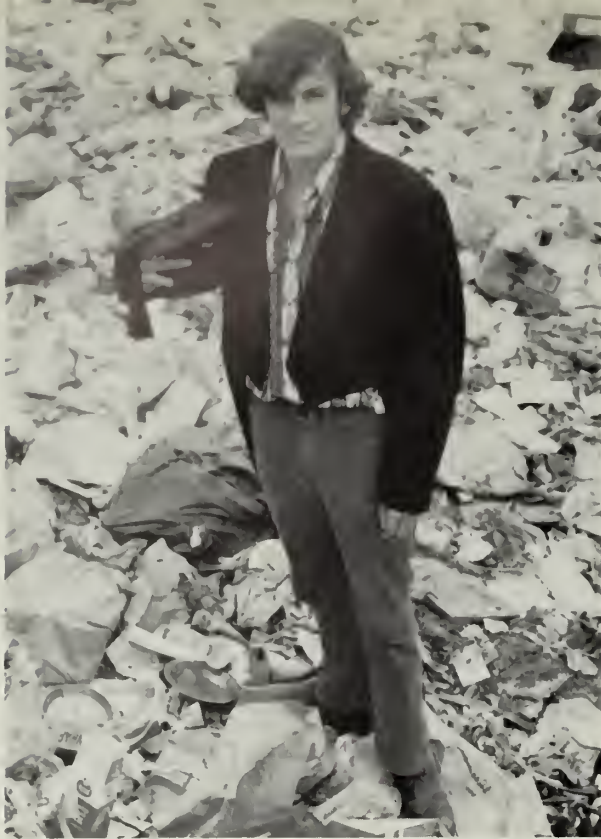

What has it made you?
A little happier,
A little more secure,
And maybe it has made someone
realize that you can do almost anything
With a little help from your friends.

Dedication

Everyone knows how difficult it is to be a parent or a teacher. What people often forget is how difficult it is to be a friend. A true friend listens, when others merely talk. He helps when others seem only to promise. There is a young man among us who, while following his own career and topping each of his days with community service, is in constant touch with the young people of Duxbury. Our class has known him as a flawless stage director, an energetic political mentor, a discerning social navigator, a slick slicing tennis player, and above all, a generous dispenser of his wit. Thus, the class of 1973 dedicates its yearbook to a true friend, Clyde Chetwynde Jr.

No one would have recognized the DHS gym if they had seen it on May 12, 1972. There were flowers on the tables, a small footbridge in the center, and a beautiful mural on the side wall. Was this a formal basketball game? No, it was our Junior Prom, "Love Is Blue".

The best part of the evening was the crowning of Cathy Powers as queen, with Kim Desmarais and Jennifer Newkirk as her court. The queen, her court and their escorts danced to Mr. Kostreva's rendition of "Love Is Blue".

The brandy snifter, presented to each couple, will remain a fond reminder of one of the highlights of our high school years.

Faculty Advisors

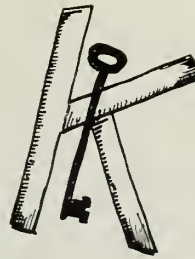

A faculty advisor can be many things to a class. He can be a warm body that you can stick in a corner so that you can legally use a part of the school, or he can be what ours have been to us: friends and people constantly concerned with our activities. Mr. Leighton has helped with our pot-luck suppers, our bake sales, and our many, many other ventures into the world of finance. He has given us support in everything we've attempted. Mr. Abate helped us direct our Senior Class play, no mean feat, considering that he had never been involved in a play before. He gave us a great deal of time and energy, with a reward of a blue silk tie for his efforts.

Both of our advisors have meant a great deal to us. Without them, we probably would not have had many things. They are some of the friends we will remember for a long time.

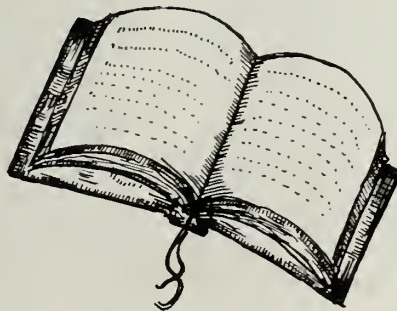

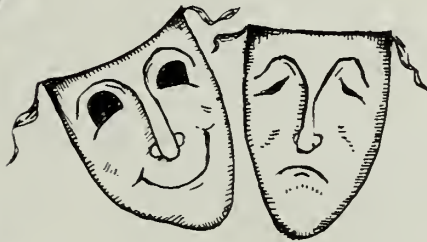

A.F.S.

Activities

Future Health Careers Club

The Future Health Careers Club has had a very slow start this year but Mrs. Ann Welcher as advisor has assured the club a better end. After all their Ambitious activities of last year the club has had trouble endeavoring on something original to spark the medical interests of the members. Yet with the enthusiastic officers, which are President Judy Salt, Vice-President Denise Friend, Secretary Priscilla Bradford, and Treasurer Sally Alander, the club should succeed in their goal.

Future Teachers Club

Left to right: S. Randall, C. Boulrice, A. Irwin, A. Berglund, C. Peterson, Mrs. Pye, L. Anderson, L. Ready, D. Sawyer, B. Randall, D. Friend.

The Future Teachers Association is a fine tribute to the teachers at DHS. Year after year students join FTA in order to learn the wondrous and rewarding sensations of being a teacher. The members experience all aspects of education through tutoring, observing classes, and actual student teaching. Mrs. Pye as advisor sets a fine example of how eye-opening and thought provoking a teacher can be at high school level.

The Key Club

Front row: (left to right) P. Kokins, J. Tonrey, R. Cushing, C. Sonntag, R. Schaeffer, R. Browne, B. Wilson. Back row: D. Anacone, G. Washburn, C. Roberts, B. Foster, D. Barlow, J. Whalen, J. Otsuki, L. Johnson, M. Pittenger.

The Key Club is a service organization for sophomores, juniors, and seniors. Its aim is to develop leadership and build initiative and it works with the Kiwanis Club in achieving these goals.

The club has sponsored many projects this year. They have held clean-ups of the football field after home games, a clean-up of the beach and a canned goods drive at Christmas. Officers, members, and advisors also worked on a Carnigras, a dance, and the delivery of the town reports.

This year's club has been one of the most active in the school's history and it is a tribute to its officers, who worked extremely hard for its success.

President James Tonrey, Vice-President Michael Pittenger, Treasurer George Sonntag, Advisors: Mr. Sabol, Mr. Sullivan.

Library Service Club

Left to right: (Standing) D. Hagen, A. Sears, M. Dahlen, I. Cooper, L. Borgatti, R. Gilman, B. Randall, S. Randall, C. Merry, C. Boulerville, D. Sawyer. Sitting: (left to right) B. Gilman, Miss Frame.

The roles of the members of the Library Service Club range from putting away books in the right place to enforcing Miss Frame's plea for a quiet library. The members learn all the painstaking and tedious tasks which make a library run efficiently. They also serve as messengers for Miss Frame to the rest of the teachers; bringing movie projectors and record players. Do you ever wonder why the library always looks neat? Well, just stop studying a minute and you will see that Miss Jody Frame, as advisor, has set a high standard of excellence.

The Latin Club

The Latin Club, by visiting local museums and festivals, has been studying the cultures of Greece and Italy. This year the Latin Club opened up to any students interested in broadening their cultural intellect; whereas before it was limited to only those students who were studying the Latin language. The new members of the club think this policy is beneficial not only to the growth of the club but also to their own personal growth. With Miss Salisbury as advisor, the members of the club are sure to receive an exciting view of those ancient realms which existed so long ago.

Sitting: (left to right) I. Cooper, S. Randall, Miss Salisbury, A. Irwin, D. Sawyer. Center: C. Kretchmar. Standing: C. Boulerville, B. Randall.

The Student Council

The Student Council this year, under the leadership of Peggy McGrath, achieved many goals. It set up a student advisory board which met with the school committee once every two months. This proved to be very successful as it gained the interest of students outside of the Student Council, resulting in a fine attendance at each meeting. Also, communication between the students and the administration was improved with the Student Council acting as the middleman. Polls were taken concerning activities such as WKEY, the school radio, etc. and changes were made concerning the results of the polls. On the whole, the student body took more of an interest in the school this year and therefore became more concerned with their own government. The students, the Student Council, and the school committee worked together in improving communication and unifying the school.

The American Field Service

The American Field Service is a worldwide organization which works to promote understanding and peace through an interchange of living and learning experience.

This year Duxbury had two people chosen to travel abroad and we received a visitor from Norway.

Our AFS Travelers

Heidi Franke spent a whole year in Brazil. Her main problem was the fact that the language spoken there is Portuguese. Heidi did not know much Portuguese when she went there, but she learned enough to baffle her friends in Duxbury by writing to them, in what was for them, a completely incomprehensible language. She thinks this year has helped a great deal to gain confidence in herself and she is glad she got a chance to go.

Runa Strand, our AFS'er, says she got acquainted with AFS through the students that have visited her town of Larvik in the last two years. Runa has been involved in helping with our school newspaper and she was a dancer in the Bay Players production of "Pajama Game". She says, "I have never regretted that I applied, because this year in Duxbury has been such a wonderful experience for me."

Jim Bradford went to Australia for the summer. He climbed mountains, went sight-seeing and tasted every kinds of beer in Australia. He too, considered it a great experience and we were glad that Duxbury had such a good representative.

Tournament of Plays

The Tournament of Plays is always a tense competition, but this year was especially close, with only one point separating each of the plays in the final score.

The Junior Class presented a comedy, "The Apollo of Bellac" with Brian Gilman as the Apollo, Susan Mathewson as Agnes, his pupil, and Robert Wilson, Agnes' greatest triumph. The play concerned the Apollo teaching Agnes, that no man can resist being told he is handsome and the mix-ups that occur as Agnes uses this knowledge. It was a great play with some very fine acting.

The Sophomore presented "The Hitch-hiker", an extremely exciting drama about a man's obsession with a hitch-hiker he sees on the road and his shock when he learns that his family and friends are holding his funeral, believing him to be dead. With Kip Keith as the main character and Margaret Reid and Charles Kretchmar as hitch-hikers, the play was one of the best dramas that has ever been presented at DHS.

The winning play, presented by the freshmen, was "Kiss Me Quick I'm Double-parked". Chris Aghayan and Maren Carlson were the leads with Debbie Hagen. The play revolved around a dentist and his secretary and their extremely funny and roundabout love affair.

Senior Class Play

The Senior Class play presented on Dec. 8 and 9 was "Much Ado about Nothing" by William Shakespeare. Directed by Pat Weatherlow, with Mr. Abate as the advisor, the play had two intermingled plots. Beatrice, played by Pam Myette, and Benedick, played by Jim Bradford, carried on a modern quarrel between a man and a woman in an ancient language, while Janet Dimase and David Jenness provided the leads for the more serious parts of the play. Other main characters were played by Steven Sbraccia, John Greer, and Paul Ehrenzeller. This play involved many people who had never acted before and after only five weeks of rehearsals, we presented a very well acted production for our Senior Class play.

George: What are they doing?

Mabel: Running around.

George: No, I mean for the theater, you know.

Mabel: You just wouldn't believe . . .

George: Try me.

Mabel: Well my God, George, we just gave you two examples of their fine organizational power and great acting ability.

George: Oh, was that what it was?

Mabel: Yes, George, these Thesbians just get into everything.

(Large black voice wearing a "Freak badge" from Hoardso—background) "Hey man, I told you twice
It's Thesbians

You get it?

George: Got it.

Voice: Good.

Majorettes

The Majorettes, under the direction of Mrs. Sally Campbell, have ended another successful year. After many years of nonsupport, the D. H. S. Majorettes have finally got it "all together." Their participation in the football games, both in the stands and on the field, at the Pops Concerts in the Spring and at the Annual Tournament in East Bridgewater proves that these girls have plenty of spirit. Captain: Barbara Brehm; Co-Captains: Kirsten Nielsen, Cindy Cotton

Band

The Band has been steadily improving for the last few years, as evidenced by the high quality of their performances this year. They are much more cohesive, each section blending with the others, and with direction from Mr. Arthur Johnson; the band has been at their best this year. For the first year, the football game halftime shows included marching formations. We hope that the band will keep up their good playing and, who knows, maybe the good music can help our football team to more victories.

Again this year the Band conducted a fund-raising campaign. It was a great success and the money will provide for a banquet in the spring. Last year the Band had their first banquet at Winsor's from the money they had raised. All had fun and a good meal.

On December 20 the Band gave their annual Seasonal concert in the Middle School. Besides this concert, members of the DHS Brass Choir played Christmas carols in the halls of DHS and at various locations in the Duxbury community. Many appreciated and were surprised by this gesture.

Choir

The Choir has been attempting more and more difficult and varied pieces of music this year. Their choices at their Christmas Concert ranged from the classics such as a part of Handel's "Messiah" to a piece written only six months ago. Mr. Jarvis has taught them not only what beautiful music can sound like, but how to sing it. They have done exercises in breathing and in reading music, and it has helped them to give a more professional sound to their music. They are getting better every year and we think they will keep going that way.

The Key

September of 1972 started off badly for the Key. The staff of the previous year, then all juniors, was now a staff of busy seniors. Mrs. Irene W. Sherwood, long time advisor of the paper retired. The staff was cramped for space in their old facilities, and there was no capital to work with.

The first month of school was spent overcoming these problems. A new spacious media center was obtained. Mr. Tony Chamberlain became the advisor. The school committee came through with financial aid, and some underclassmen were recruited. The first edition rolled off the presses in October—but the next issue would not arrive until December. New blood was pumped into the staff with the aid of Mr. Chamberlain's journalism class, and by January the paper was on its feet again.

The key has been steadily improving; the staff is now capable of coping with its enlargement from a small paper to a tabloid. More pages were added; and thanks to substantial ad revenue, the price has been lowered.

Long range plans for the paper included an occasional magazine supplement to the regular paper, town-wide circulation, and a more active voice for the students.

WKEY

Standing (left to right) P. Orrichio, J. Aldrich, S. Sbraccia, J. Haskell, J. Bradford. Kneeling: R. Blanton, M. Collins.

Wkey, started in 1971, grew rapidly this year, and became a firmly established student activity. There is now a minimum working staff of nine. Over the past year, student radio Wkey has survived many problems ranging from lack of listener interest, to overreaction of "Modernistic" type programming.

Seemingly always in the middle of things, the radio station has been a stepping stone for some of its personnel into other areas of the media. For others it was a catalyst that stimulated their sense of responsibility.

Programming has remained flexible, with news, sports and weather remaining constant denominators. Over the past year the student body has heard the rise and fall of such programs as "DHS Gossip", "Sports World Roundup", and "Comedy News". Wkey expanded its sports coverage to include live broadcasts of all home football, basketball, hockey and baseball games.

Future plans for Wkey include disc-jockeys, a 10 watt FM radio station instead of the current PA system, and the possibility of closed circuit television.

Well, the Seniors did it again and we hope you're pleased. We made a yearbook for you (for us, actually). If you want to congratulate anyone on the fine job they did, you can start with Pam Myette (the editor). Poor girl, she'll never be the same. If you happen to run across Meredith Galassi, you might compliment her, too. She was the layout editor and looking through this book, you have to admit it's the epitome of that great art of putting things together in a nice way. Pat Weatherlow (the literary editor) did okay, I guess. She did have a very exasperating habit of getting all the literature to Merry two days before the deadline, but, as they say, all's well that ends. Phil Fontaine and Larry Vienneau are mostly responsible for the so-called art work you see here. And Miss Gips, our advisor . . . that woman has a lot of courage, be sure to give her many congratulations when you see her. There are at least one thousand other people. Kirsten Nielsen, our business manager (you know, money) should get a handshake of thanks. There was Connie Merlet, and the Ellens McGarigal and Maguire, Kim Desmarais, Melodie Young, and . . . and . . . well, you know who you are (don't you?) We hope you like our creation and if you don't, you can try your best in your senior year to top it. Okay?

Football

This year's football team, although plagued by injuries throughout the season, managed to complete a misleading 3-6 record in the course of the season, second best in the team's history. The Dragon squad lost three of their games by one touchdown or less, and were leading in the Hanover game going into the fourth quarter. This year's seniors will be sorely missed by next year's squad. This group includes senior signal caller Mark Battista, the hard-running David Wilber, tackles Wally Greeley and Rick Schaffer, end Paul Erhenzella, and the clutch punting of Bob Foster. Despite these losses, next year's squad is eagerly awaiting for next year, since almost the whole defense is returning. This includes our superlative defensive ends, Jay Whalen and David MacCallum, our linebacking duo of Dave Anacone and Jeff Bolster, in addition to Jack McCarthy, George Cobb, and all-star Chuck Roberts.

Front row: (left to right) B. Foster, M. Battista, D. Wilbur, R. Schaffer, W. Greeley, J. Haskell, M. Kennedy. Middle Row: Col. Truden, B. Wilson, R. Hoover, G. Cobb, J. Chase, J. Whalen, B. Simmons, J. Bolster, D. MacCallum, D. Fulmer. Back row: Mr. Sabol, D. Anacone, C. Johnson, J. McCarthy, B. Collins, D. Pierce, G. Conroy, S. Haskell, C. Roberts, R. Johnson, Mr. Pagnano.

Front row: (left to right) R. Kendrew, B. Pitts, P. Charles, M. Pittenger, M. Mueller, J. Barrows, G. Washburn, J. Tonrey, J. Bradford, L. Johnson, J. Otsuki, K. Shea, A. Pollack. Back row: Mr. Reed, B. Benevento, P. Ayers, C. Lindy, P. Hodgekins, R. Burke, P. Barboza, P. Stokes, B. Pollack, D. Hillard, P. Brown, R. Blanton, D. Anderson, Mr. Cass.

Soccer

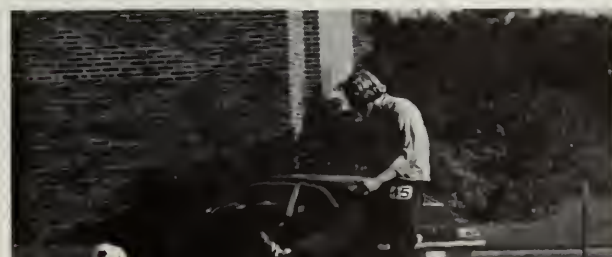

The 1972 DHS Soccer team which was led by Jim Tonrey and Greg Washburn, continued its long dominance of the SSSA by coming from behind on the final day of the season to tie for the league championship. For six years the Dragons have led the league.

Senior co-captains Jim Tonrey and Greg Washburn scored 24 and 14 goals respectively while seniors Larry Johnson and Jim Bradford led the defense. Supporting the seniors were junior linemen, Jim Barrows and Rick Kendrew, along with Mark Drummey, Paul Charles and Mike Pittenger in the backfield. The two goalies, Ed Vickers and Kevin Shea, did an outstanding job in the nets. Mike Mueller and Andy Pollock were also a great asset to the team.

Two wins over Westport and Masconomet in the State Tournament highlighted the end of the season before finally losing to the hands of Lexington which ended an outstanding season at 14-4-1.

Field Hockey

Miss Audrey Hibbett-J.V. coach

The 1972 season had many ups and downs for the Field Hockey team. Playing an extended schedule in which they had to play all teams twice, the team finished with a fine 7 wins 2 losses and 5 ties to end up in a tie for second place.

Much credit for this successful season has to go to the seniors on the squad, Moira Otsuki, Diane MacNab, Vicki Carlson, Kim Desmarais, Liz Storrs, Merry Galassi, Jill Cislaghi, and Cathy Powers. All of them made major contributions, both in play and in boosting the team's spirit. Perhaps their greatest contribution was their demonstration of a strong team spirit late in the season when they were all "benched" so that the underclassmen could gain some valuable playing experience. The seniors enthusiastically helped their teammates with much helpful advice and encouragement.

Highlights of the season were:

1. Vicki Carlson's high scoring with 7 goals and 4 assists. She was also voted Most Valuable Player by her teammates.
2. Two thrilling 1-0 victories back-to-back over Cohasset and Hanover.
3. Extending the teams unbeaten streak to 51 games by going undefeated through their first 5 games.
4. The team's 2 shutouts of high-scoring Cohasset.
5. The team's 11 shutouts in 14 games and the fine goaltending of Eileen Grealy.
6. The strong defensive play of halfback Peg McGrath and fullbacks Diane MacNab and Jane Garrity.

The future of the "Dragon Ladies" looks real bright as they will have 14 experienced players returning to the squad next year.

Front row: (left to right) V. Carlson, K. Desmarais, M. Otsuki, D. MacNab, D. Canty, M. Galassi, C. Powers. Middle row: P. McGrath, E. Grealey, C. Murphy, H. Pierce, T. O'Neil, S. Vienneau, K. Brodie. Back row: C. Ayers, B. Kellar, L. Neubauer, J. Cislaghi, L. Anderson, K. Marconi, J. Garrity, H. Hammond.

Kill'em

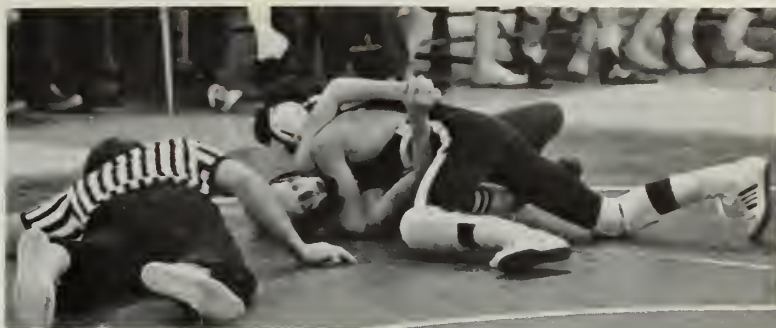

Cross-Country

Front row (left to right): K. Barclay, B. Ferguson, R. Hoel, D. Hubbard, M. Czynski. Back row: B. Desmond, D. Mugford, M. Earl, T. Tanner, F. Gazzola, J. Taylor, A. Colvin, Mr. Clark.

Duxbury's 1972 Cross-Country team came back in great strength this year. Captain Randy Hoel was the prime contender in most races, as he placed 1st on the team in 10 of 16 meets but for the first time he was challenged by other team members. Newcomer Bill Desmond beat him by seconds in the other six meets, while Marty Earl, Rob Ferguson, Kevin Hubbard all had a number of seconds to their credit. Mr. Clark has good hopes for next year's team and will show other towns he will not give up.

Wrestling

The 1972-73 DHS Wrestling Team, captained by Bruce Ballard, Randy Hoel, and Michael Vienneau, burst into the scene with remarkable strength in almost every weight class, and kept it going throughout the season. The squad, although competing against such large schools as Brockton and Brookline, succeeded in maintaining a fine record.

Such stand outs as Greg Muller, Bruce Ballard, Randy Hoel, George Cobb and Dennis Simmons all played vital parts in the team's success. Only losing one senior, next year's team should be the team to watch.

Ice Hockey, coached by Mr. David Murphy, has progressed through its infancy and is emerging as a power sport at DHS.

Under the leadership of tri-captains Steve Halowell, Mark Battista and Paul Morgan this year's team is anxiously looking forward to what appears to be the best season Duxbury High School Hockey team has experienced. With the loss of only 6 seniors, many experienced players are returning with very high hopes.

Ice Hockey

Front row: (left to right) J. Bolster, C. McCarthy, P. Ayers, T. Desmarais, S. Hallowell, P. Morgan, M. Battista, J. Otsuki, S. Tenney, P. Sheppard, D. Kennison, J. Guilderson. Back row: P. Kokins, C. Royle, M. Dewire, K. McCarthy, J. Taylor, L. Maddox, B. Desmond, R. Cushing, Mr. Murphy.

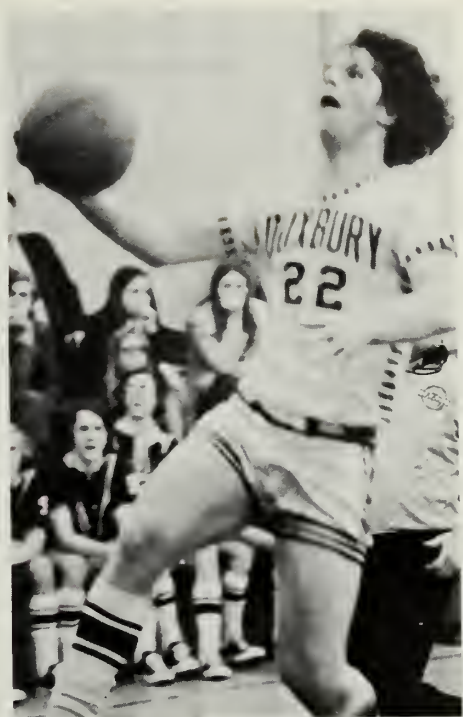

Front row (left to right): B. Foster, G. Washburn, J. Tonrey, C. Roberts, B. Collins. Back row: B. MacDonald, C. Sonntag, M. Kennedy, M. Lagakis, D. MacCallum, E. Vickers.

Boys' Basketball

This year's team in varsity basketball has shown that it can be on the top of the South Shore League. Strong wins over Hanover and East Bridgewater have shown this. The best game of the year was against Middleboro with Duxbury coming out on top 55-54. Until that game, Middleboro was in first place with a record of 3-0 and Duxbury with a record of 1-2 in the league. The South Shore League has really no number one team this year. All the teams are about the same in strength with Middleboro having a slight edge.

The varsity team consists of Jim Tonrey, co-capt., Chip Sonntag, co-capt., Mike Kennedy, Ed Vickers, Bob MacDonald, Mark Lagakis, Greg Washburn, Bob Foster, Dave MacCallum, Chuck Roberts, and Bob Collins.

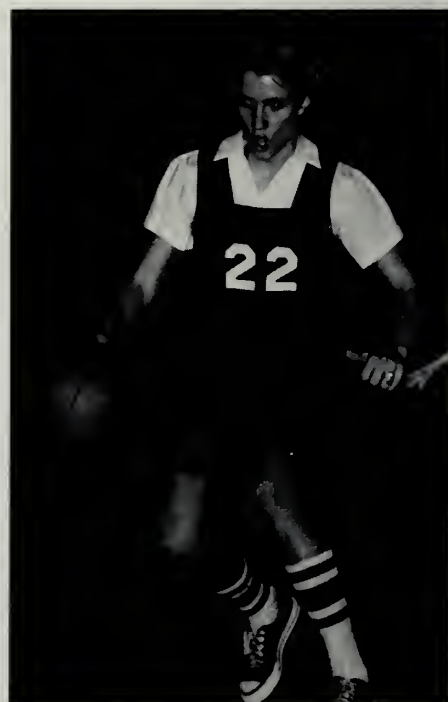

Front row (left to right): S. Peters (manager), Miss Toolin, K. Nielsen (manager). Second row: J. Cislighi, A. Berglund, D. Canty, K. McArthur. Third row: E. Grealey, M. Galassi, K. Burke, C. McCall, H. Pierce. Sitting: M. Otsuki.

The 1972-73 girls' basketball team, coached by Miss Jane Toolin, should have a fine record. However, even with the excellent coaching, with the co-captains Moria Otsuki and Merry Galassi, and the great potential of every one of the players, something is lacking. Jill Cislighi provides the kind of enthusiasm of spirit every team needs. She gives 100% constantly. Debbie Canty, a great driver, never fails to find a hole to dribble through to make the basket. Karen McArthur plays a great defense by clogging up the middle of the key and her offense is also good, especially when she is off her feet. Laura Hyer, the tallest on the team has an unbeatable jumpshot which enables her to pop the ball through the hoop, seemingly with no effort. Co-captain Merry Galassi, as always, plays a tough defense. She has a good shot from outside with an unique style of shooting. Eileen Grealey, a quick aggressive player, does not let anyone intimidate her. Co-captain Moira Otsuki, very aggressive, shoots from almost anywhere on the court besides controlling the place of the game. Jane Garrity, the star of last year's team was sidelined with a knee injury for the first half of the season. The members remaining, consisting of Alison Berglund, Holly Pierce, Kathy Burke, and Cathy McCall, have helped and contributed a great deal to the team. With five games remaining, it is hoped that the team will begin to click again.

Girls' Basketball

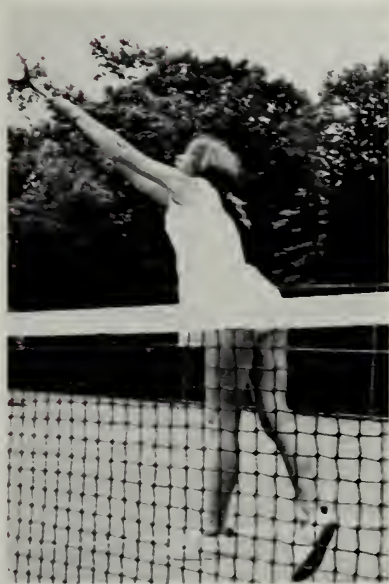

Boys' Tennis

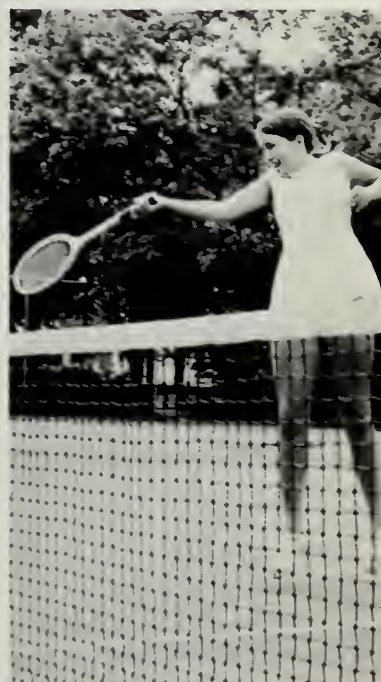

It looks as though this year's tennis team will be playing with the loss of one of its best players: Stephen Hallowell. However, the team has five returning letterman this year; senior Mike Mueller, juniors Richard Burke, Matt Fogarty, Paul Barboza and Grant Southard. Another player that will be an asset to our team is sophomore Scott Rich from Minnesota. The coach who is coaching his second year is Randy Look. For the past six years we have placed second in our league with Cohasset being first. We also went to the states last year and got as far as quarter-finals. During the final match we were rained out with three matches finished—two losses and one win. Harrison Muller playing 2nd singles and Mike Mueller and Matt Fogarty playing 2nd doubles had to come back the next day to finish their match. Both lost and that's as far as the team got. We hope to have a very strong team this year and capture the position of League Champs over Cohasset.

Girls' Tennis

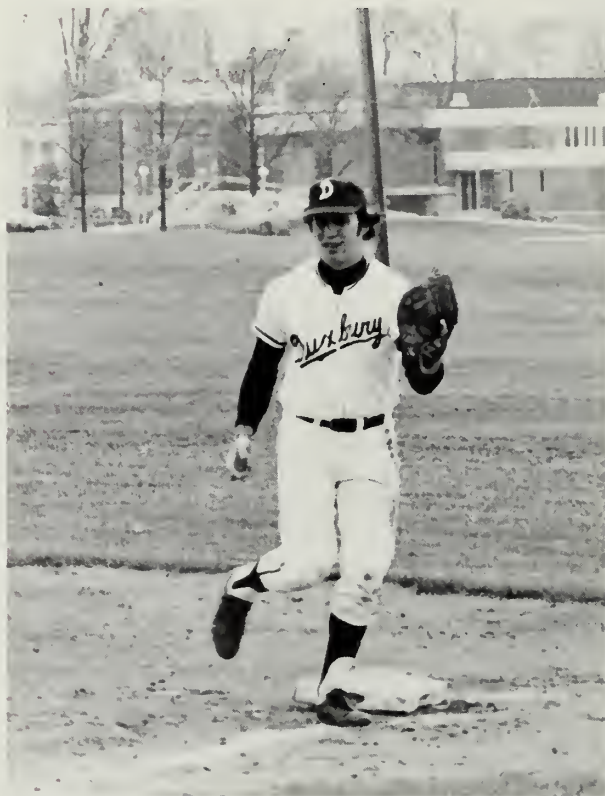

Under the new leadership of Coach Miss Jane Toolin, the 1972 Girls' Tennis team had a progressive and most of all a fun-filled spring. All the girls gave to the team in one way or another which provided the practices with a lot of laughs and the matches with a lot of spirit. Alison Berglund never failed to break-up the team with her quick wit yet, she also amazed everyone with her impenetrable net game. Two freshmen, Sue Peters and Cathy McCall, were the strength and backbone of the team, never having lost a match. A new addition, Holly Pierce, showed the most improvement as she gained power and experience in such a short time. Each match proved the team had a lot of individual talent and if they can put this talent all together, 1973 should be a smashing season.

Front row (left to right): M. Anderson, S. Wyman, J. Tonrey, P. Orrichio, T. King. Back row: G. Chandler, E. Vickers, J. Garrity, M. Battista, D. Savastano, G. Francke, S. Savastano, Mr. Murphy.

Baseball

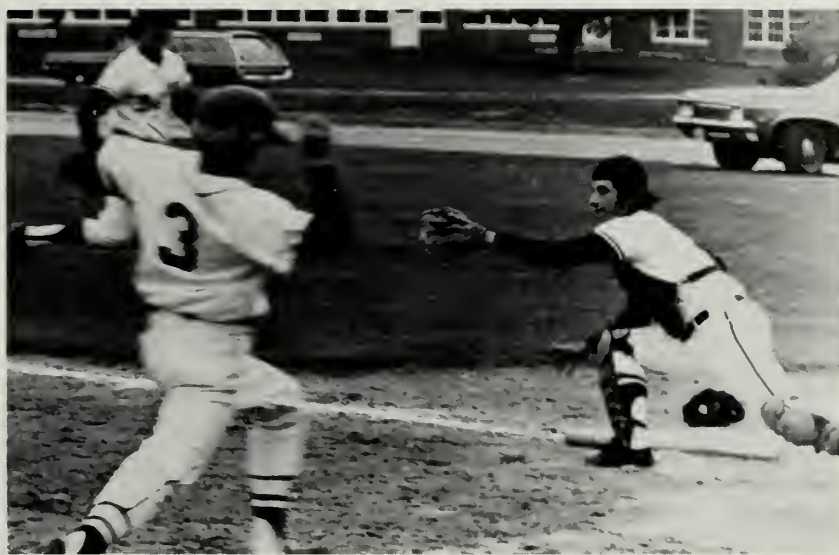

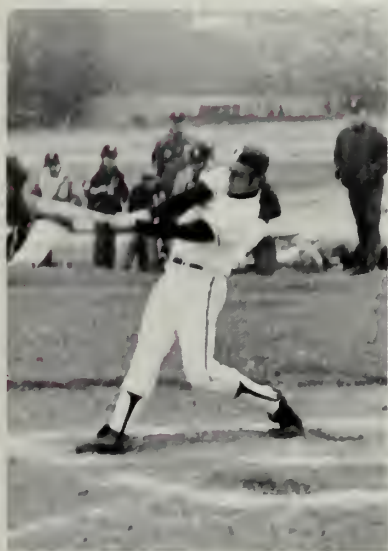

The 1972 Duxbury High School Baseball Team, captained by David and Steve Savastano, finished their season with a record of 13 wins, 6 losses. The team wound-up in first place with Cohasset, co-champions of the South Shore League's Western Division. Entering the Eastern Mass. Tournament, the team represented the Western Division, beating Nauset 2-1 in the preliminary round. The loss was to Holbrook 4-1 in the quarter-finals.

One of the highlights of the season was a no-hitter pitched by Mark Battista against Apponequet giving Duxbury a 4-0 win. Three boys were also chosen to represent Duxbury on the Western Division All-Star Team: Mark Battista, co-captain (2nd year), Mark Anderson (2nd year), Jim Tonrey.

The key member of the team was Mark Battista as he led the team in batting with an average of .439 and guided Duxbury with his pitching to the quarter-finals of the Eastern Mass. State Tournament. Jim Tonrey led the team in stolen bases and home-runs and was considered a very valuable player.

The 1973 Baseball Team is expected to do well but is also predicted to meet stiffer competition because of the new league adjustments. The Duxbury team will work around a good nucleus with three returning freshman and two juniors, Mark Battista and Jim Tonrey, who are co-captains elect.

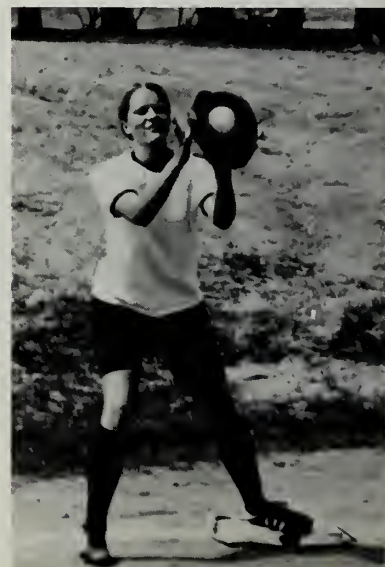

Softball

Front row (left to right): C. Powers, E. Grealey, N. Kendrew, D. McNab, J. Burdick, J. Cislaghi. Back row: Miss Brooks, J. Garrity, E. Ferrell, D. Canty, J. Murphy, M. Galassi, N. Merrick, M. Williams.

The Girls' Softball team of 1972, coached by Miss Deborah Brooks, was a strong, but young squad. There was great potential in all of the players, but experience was lacking. It was a building season in which everyone improved with each game.

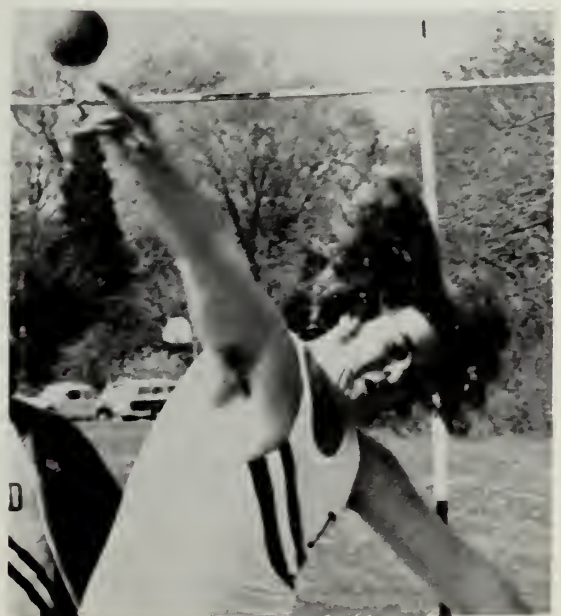

The team ended with a 4-6 record, however there were many exciting minutes. Against Avon, Eileen Grealey hit a homer in the 10th inning to break a tie and win the game 14-13. Merry Galassi did the same against Apponequet, when she belted a 3-run homer in the 7th inning to win the game 20-17 for DHS. Jane Garrity and Diane McNab were strong both defensively and offensively. Nancy Merrick, on the mound, performed very well and Jill Cislaghi did a fine relief job. The spring looks good with many experienced players returning.

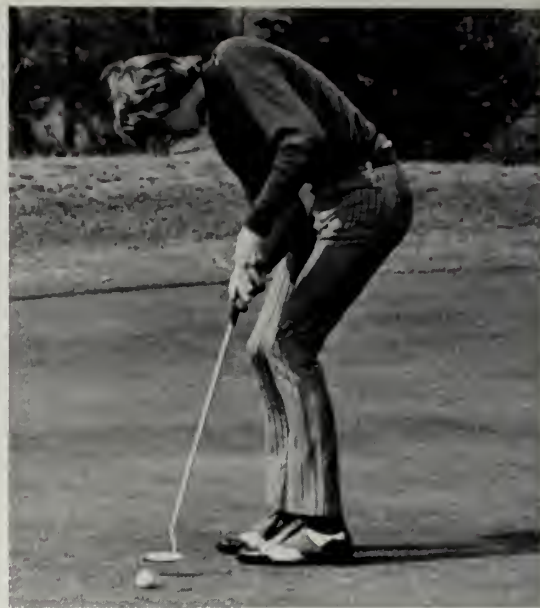

T R A C K

The DHS Track and Field Team had some outstanding players in the spring of 1972, who improved with every meet. They were Chip Sonntag, Jim Barrows, Hugh Fellows, Jim Fallon, and Randy Hoel. The team was especially good in the discus, shot-put, and the 440 yard run. Coaches Daniel Kostreva and Reginald Clark were most enthused with the strong young team of last year and both have great expectations for the spring.

Golf

Front row (left to right): Mr. Hayes, P. Carignan, R. Kendrew, B. Cline, P. Teravainen.
Back row: R. Merry, C. Royle, P. Brown, B. Foster.

The Duxbury Golf team lead by Peter Teravainen, Craig Royle, Bob Foster, Rick Kendrew, Peter Carignan, Brandt Cline and David Brown amassed a 18-2 record and the Co-Championship of the South Shore League. During the regular season the varsity played in snow, sleet, rain while defeating such teams as Plymouth, Braintree and Scituate. The end of the golf season saw Duxbury playing in the states, and finishing in the top 10.

The 1973 season will see varsity members C. Royle, B. Foster and R. Kendrew scrambling for the number 1 position and the right to lead Duxbury to another victory in the South Shore League.

Cheerleaders

Left to right: D. Chapdelaine, J. Burdick, D. Marshall, D. Sansone, D. Anderson, L. Wirt, K. MacCallum, J. Murphy (sitting).

A familiar sight at sports events during the 1972-1973 year, were the DHS cheerleaders. Under the leadership of captain Jeanne Murphy, this year's team consists of juniors: Joyce Burdick, Denise Chapdelaine, Debbie Marshall and Lisa Wirt. Sophomores: Kim MacCallum, Donna Sansone and Debbie Anderson. This year's squad tried to increase on school spirit and participation. They worked many hours and, with that extra-added ability of the girls, accomplished a great deal during the 1972-1973 season.

On February 2 and 3, DHS presented the greatest musical ever. Never before in the history of Duxbury Theatre has the auditorium been a sell-out with "standing room only" both nights! Mr. Richard Miller and Mr. Roger Jarvis combined their experienced directing to get the very best from the enthusiastic cast. Jack Haskell, playing the title role, acted and sung with the ease of a professional. Pretty Pat Weatherlow made the delightful songs come alive.

Many others backed up the leads with great acting and singing. The Barbershop Quartet of Dana Sawyer, John Greer, Jeff Richards, and Brian Gilman provided some good laughs, while little David Wooster surprised and enthralled the audience with his booming voice.

Connie Charles, Debby Hagen, Barbara Weatherlow, Barbara Brehm and Janet Robinson did some fine characterizations of stubborn Iowans.

All in all, the reaction of the audience truly proved that this was the show to end all shows.

YEAR-ROUND PEOPLE CONVENE
AT THE WINSOR HOUSE

The perfect complement to your off-season mood: the Winsor House. From Labor Day to the Fourth of July, it's Duxbury's haven for your year-round indulgence. The lovely part of the world we live in we match with a native *gemutlichkeit*. Sunday brunch, for example — or live entertainment on Friday and Saturday night. We'll even take back the wooden nickels we give you, in fair exchange for cheer and chauvinism. Join us. It's part of just being here.
